## **William Stelter Dies in Aberdeen Hospital**

William Stelter, 42 years of age, and a resident of this county all his life, died in an Aberdeen hospital, Sunday evening at about 7:30, from the effects of a cancer, from which he had been suffering for some time. He was taken to the hospital about a week or ten days ago, but his condition was such the medical profession was unable to ward off the inevitable end.

He was born in Henry township on February 11, 1889, and has been a resident of Brown county all his life, following the occupation of farming. He never married, and is survived by his mother and two sisters.

The funeral was conducted at the home, Tuesday afternoon by Rev. Benson, of the local Methodist church, and the remains laid to rest in Groton cemetery by H. Paetznick, who went to Aberdeen after the body.
